### **GEAR COLLECTION: Saturday 18<sup>th</sup> April**

Coaches, or team representatives, may collect equipment for their team. Balls, playing shirts and training cones will be available at Bortollo Pavilion, 10.00am – 3.00pm. Coaches should also bring in their *Coach & Team Details sheet* to pass on to their League Coordinator.

### **COACHES SEMINAR: Saturday 18<sup>th</sup> April**

Peel Regional Development Officer – Charlie Smith – will conduct a training session for new coaches, Bortollo Reserve, 11.00am - 12.00noon. This session will be for those coaches who are new to junior soccer. Charlie will provide valuable pointers on how to plan and conduct your training sessions as well as expert advice on how to manage your young players.

The PJSA is planning to conduct further sessions for coaches throughout the season. The association is particularly keen to accommodate those who may be interested in becoming licensed as a junior coach. Contact the committee if you would like more info.

### **REFEREE TRAINING LEVEL 5: Wednesday 15<sup>th</sup> April**

Players who want to become junior referees are required to fulfill certification requirements. They must complete the FFA level 5 certificate which gives an all round appreciation of the rules of the game. This is a basic requirement and entitles the person to undergo level 4 training. Those young referees who have completed level 5 training in previous years are not required to complete this session but may do so if they wish.

### **REFEREE TRAINING LEVEL 4: Sunday 19<sup>th</sup> April**

Level 4 certification is required for a person to be appointed to referee PJSA games.

Players who have already expressed an interest in referee training will be contacted soon. Others should notify Tony Gillespie (PJSA President see [www.peelsoccer.com](http://www.peelsoccer.com)) or Mark Dixon (Operations Manager see [www.peelsoccer.com](http://www.peelsoccer.com)).
